Dear Robin,

This letter is in regards to the 3/10/14 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone. (You need to post parent contact phone numbers somewhere near your phone. I suggest using the Phone Numbers sheet I shared with you.)

☐ 110.5(1)e All accessible electrical outlets are safely capped. (You need to install plastic safety caps on several exposed electrical outlets.)

☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (You need to practice and record monthly fire and tornado drills. I suggest using the Emergency Drill Record sheet I shared with you.)

☐ 110.5(1)p Children under the age of one year are placed on their backs for sleeping unless otherwise authorized in writing by a physician. (You need to obtain a new crib or pac-n-play to use with sleeping arrangements with your infant child. Remember per our review that an infant cannot sleep on any soft surface including your couch or bed.)

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (Both dogs in your home need current statements of a vet check to be kept on file. These need to be renewed every year.)

**110.5(2) A provider file is maintained and contains:**

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain a current physician signed statement of health for yourself and husband to be kept on file. These need to be renewed every two years.)

**110.5(8) Children's Files** (You need to spend some time on your children's files. I suggest getting help from CCR&R with the business card I shared with you. Each child under your care needs a basic file with: identifying information for the child and parent, signed emergency medical treatment authorization form, current physician signed statement of health, current immunization report, list of who can pick up children, and a permission slip to attend activities away from the home if you go on field trips or transport kids.)

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐ 110.5(8)a Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child and the parent's work address and telephone number.

☐ 110.5(8)b Emergency information including where the parent can be reached, the name, street address, city and telephone of the child's regular doctor, and the name number, telephone number, and relationship to the child of another adult available in case of emergency.

☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment.

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

☐ 110.5(8)d For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian.

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐ 110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical.

☐ 110.5(8)f A list signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

☐ 110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

☐ 110.5(8)i Written permission from the parent(s) for their child to attend activities away from the child development home. It must include times of arrival and departure, destination, and person(s) responsible for the child.

It is essential you correct all above-mentioned violations on or before 4/30/14.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary.
